**PERAVES CZ a.s.**

**CZ-621 00 Brno-Medlanky**

is the WORLD's ONLY MANUFACTURER of the most modern CABIN-MOTORCYCLES.

Since 1980, **designed & produced**, street-legalized & sold worldwide **by Arnold WAGNER** the famous ECO-, MonoTracer-, MonoRacer-MRE- + MRI-2-WHEELER-CABIN-MOTORCYCLES have a worldwide reputation for their by far best efficiency, proved by **winning the US-X-PRIZE 2010** with up to 287 MPGe (Miles-Per-Gallon equivalent), = less than 0,8 liters of petrol for 100 kms.

PERAVES CZ a.s.. actually produces the new model **MonoRacer-MRE-BEV130** (= Battery-Electric-Vehicle with 130 kW-engine) and 225 to 375 miles range btn. Battery-charge-stops at speed > 65 MPH (105 km/h)

MonoRacer-MRI-(with BMW-K1200RS-engine)-production was terminated on 31.12.2016 due to EURO-4-emission-standards not being met by this BMW-motor. A few new & low-mile MRI-vehicles are still at hand for sale ex factory - see secondhand-sales page 4.

PERAVES CZ & HITENG AG support **ALL PERAVES-Cabin-Motorcycles built since 1982**, providing SPARE-PARTS, After-Sales-Service, Upgrading, REPAIRS & complete OVERHAULS.

PERAVES-CABIN-MOTORCYCLES combine **driving-fun, agility, small traffic-area- and space requirements + high MPG with COMFORT-, -WEATHER-PROTECTION & SAFETY-LEVELS** of CARS - emitting < 25% CO2- (MRI-models) or have ZERO-EMISSION (MRE-models).

## NEW: THE BOMB: <PERAVES CZ W19-MonoRacerMRE-BEV130kW>
